

Photoshop® World **Student** Scholarship Program

The Photoshop World Student Scholarship Program has been created to give promising students the opportunity to expand their Photoshop and photography skills by attending the Photoshop World Conference & Expo, a three-day conference offering invaluable training sessions led by the world's leading Photoshop and photography experts.

Each year, the National Association of Photoshop Professionals awards 25 scholarships to talented students from across the country. The recipients receive **free conference admission**, as well as a **one-year membership** to the National Association of Photoshop Professionals (which includes a subscription to *Photoshop User* magazine). The scholarship is valued at \$699.

The scholarships are awarded to high school and college students based on recommendations from educators at accredited learning institutions (colleges, universities, art institutes, etc.).

To nominate a student, please complete the nomination form and submit your entry via fax or email to: Barbara White at (813) 433-5014 or bwhite@kelbymediagroup.com.

The deadline to submit a nomination is February 17, 2012.

Please note: Scholarship recipients are responsible for their transportation and accommodations. To receive a scholarship, high school students living outside of the Washington DC metropolitan area must be accompanied by a parent/guardian for lodging purposes. The National Association of Photoshop Professionals is unable to offer complimentary guest passes to parents/guardians.

Nominating Instructor Name:	Date:
Instructor Phone #:	Email:
Educational Institution Name:	Website:
Educational Institution Address:	
Student Name:	Email:
Student Phone #:	Website:
Student's Major or Primary Field of Study (if known):	
Please give a brief description (250 words or less) why this student would be a good candidate for the scholarship program. Attach a separate sheet if necessary.
